Author Proofs
1 · CURATE
you, in Zotero
Add papers, export
BibTeX + Export Files
2 · SYNC
the corpus layer —
deterministic, no LLM
read bib → update ledger
→ extract PDF text
3 · DRAFT
the drafting layer — generative
Ask a genre skill:
"write a survey section on …"
only use text from
the parsed corpus
4 · VERIFY
machine-
enforced
CITATION GATE
GATE FAIL · loop until it
passes
CITATION GATE PASS
writes it, then reads it back
DOSSIER
machine-facing working state
5 · PUBLISH
as markdown, tex, pdf
run it on a finished draft
